**The Groove** Simple moves to great music so you can dance them your way. This mind-body inspired class proves every body can dance and love it.

**Hip Hop Fitness** A dance-themed cardio and toning program that blends various hip hop and dancehall moves to strengthen the core and the lower body. Dip, shake and pump your body to the hottest hits while getting fit and having fun.

## CARDIO

**Cycle** Join the ride! Speed, resistance, and more create an exciting and challenging indoor cycle experience. Available in 1 hour class format and 45 minute class format.

**Step** is ideal for adding training variety to your workout routine. You will do it all in 45 min ,walk, jog, run, jump, plyometrics, balance drills, lateral drills and quickness drills — all on and off of The STEP . The workout starts with a warm-up, takes you through multiple levels of cardio and finishes with conditioning and toning of your core and upper body.

## STRENGTH

**Strength Fusion** This class uses a variety of equipment and movement styles to build fitness through the whole body. Classes may include intervals, skill building, and cardio bursts for a challenging total body workout. This class is appropriate for those with injuries or limitations as well as beginning exercisers.

**TRX®** Suspension Training body weight exercise develops strength, balance, flexibility & core stability simultaneously.

**BODYPUMP - THE ORIGINAL BARBELL CLASS™**, the ideal workout for anyone looking to get lean, toned and fit – fast. Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout. It will burn up to 400 calories\*\*. Instructors will coach you through the scientifically-backed moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than on your own! You'll leave the class feeling challenged and motivated, ready to come back for more. and challenging workouts.

## MIND / BODY

**Gentle Yoga** A gentle yoga class for anyone looking for a relaxing practice.

**Pilates** Designed to condition and strengthen abdominal and lower back muscles, as well as increase individual flexibility.

**Vinyasa Yoga** In this class, students will focus on linking conscious breath with mindful movement, awakening their energy and flexibility. A number of postures will be practiced, with a focus on moving gracefully from one pose to the next.

**Barre** Taking the hottest trend in dance-inspired conditioning, ballet barre training, and using "make-sense progression" to create a format suitable for every level of exerciser, BARRE is a workout like no other! This format combines Balance, Agility, Resistance, working Recovery and Eloquence into a challenging full body workout.

**Les Mills BodyBalance™** Ideal for anyone and everyone, BODYBALANCE™ is a new generation yoga class that will improve your mind, your body and your life. You can expect to bend and stretch through a series of simple yoga moves, elements of Tai Chi and Pilates while an inspiring soundtrack plays in the background.

**Yin Yoga** is a slower –paced, more meditative version of Yoga. In Yin Yoga, the poses are held for a long period of time (typically 3-5 min) to target the deep connective tissues , bones, joints fascia and ligaments of the body, rather than focusing on the muscles.
