

CHILDCARE IMPACT

BUILD A BETTER FUTURE

- The Y is the nation's most trusted, experienced childcare provider.
- Locally, we've partnered with schools and parents for 15 years.
- Kids need safe, supportive out-of-school care for social-emotional learning and academic success, especially during the pandemic.
- With remote learning, childcare is going to be more expensive.
- Not having childcare will hurt businesses, women, and minority groups.
- Give today to build a better future for our kids.
